

Bezzera MODA DE 3 Group Espresso/Coffee Machine (White) - MODADE3W

Quick Overview

- Boiler (L): 17
- Top-quality components
- AISI 304 S/S machine body
- Large working areas and special grids
- Tall-tops friendly (up to 13cm high cups)
- Thermostatic group control
- Heavy-duty internal motor pump
- The control box manages the coffee dosing programmed by the user, through an accurate volumetric system.
- Heat Exchange: Operated with a hydraulic circuit separated from the boiler, coffee is always prepared with fresh water.
- Thermostatically Controlled Group: The 100W electrical resistance keeps the group temperature stable
- Boiler in copper: Levels in the boiler are automatically controlled by an electronic control unit
- Double safety system: Boiler high-temperature cut-off thermostat and the hydraulic overpressure valve
