

# BENCHSTAR 1800mm 2 Shelves Hot Food Display Warmer — EHW-180

## Description

BENCHSTAR 1800mm 2 Shelves Hot Food Display Warmer — EHW-180

The Benchstar Hot Food Display Warmer keeps pies, pastries, sausage rolls and hot snacks ready to serve in cafés, delis, convenience stores and takeaway outlets, while maintaining food safely above 60 ° C for compliant hot holding.

Two angled display shelves increase display capacity in a compact footprint and improve product visibility. The EHW-180 is 1816 mm wide with 1680 × 550 mm shelves, on a 240V 15 A plug.

Key Features

- **Compliant hot holding** – Maintains food above +60 ° C; +30 ° C to +110 ° C temperature range with thermostat control.
- **Dual angled shelves** – Angled display shelves improve product visibility and increase capacity in a compact footprint.
- **Flexible layout** – Adjustable divider rods suit different product sizes; 211 mm shelf clearance suits larger containers and stacked items.
- **Well presented food** – High-temperature resistant LED lighting, with independent on/off switches for heat and light and a heating indicator light.
- **Stable on the counter** – Anti-slip rubber feet support stable counter placement.
- **Stainless steel construction** – Hygienic and hard-wearing for daily commercial use.

**Choosing your model:** Available in four widths — EHW-100 (1016 mm) and EHW-120 (1216 mm) on a 10 A plug, and EHW-150 (1516 mm) and EHW-180 (1816 mm) on a 15 A plug.
