Description

BRENNER Volt 800 Series 2 zones Freestanding Induction Cooktop with Open Undershelf - BREE8-400IC

The BRENNER Volt 800 Series Freestanding Induction Cooktop is designed for commercial kitchens, cafés and restaurants, delivering fast, energy-efficient cooking with precise temperature control and reliable commercial performance.

Induction heats the pan directly, putting less heat into the kitchen than gas or radiant elements. This 2-zone, 400 mm model runs on a commercial 415V three-phase supply.

Key Features

- **Fast, energy-efficient induction heating** – 11 power levels for precise cooking control.
- **Durable ceramic glass cooking surface** – Compatible with induction cookware.
- **Simple knob controls** – One control per cooking zone for fast, intuitive operation on a busy line.
