Ingersoll Rand®

409 Air Die Grinder

REAL TOOLS FOR REAL WORK.℠

Enjoy The Daily Grind.

The 409 Air Die Grinder

Introducing the Ingersoll Rand 409 Air Die Grinder. Designed for general maintenance and built with a durable aluminum housing that's lightweight and comfortable, you'll enjoy working with a versatile die grinder that gets the job done without grinding your wallet.

Weld Cleaning

Deburring

Porting

Smoothing Sharp Edges

Tool Features

POWER
A .5 hp 4-vane motor with a free speed of 27,000 RPM delivers the power you need to tackle many applications from smoothing and polishing to deburring, and its front exhaust helps keep your work surfaces clean.

DURABILITY
A durable aluminum housing protects the 409 Air Die Grinder in tough conditions while keeping the tool light in weight and comfortable to use.

VALUE
The 409 Air Die Grinder delivers the power you need at a cost you can afford, making it a staple in any well-rounded tool box.

Specs

Straight Air Die Grinders* - Maintenance/Automotive

	Model	Power hp (kW)	Free Speed rpm	Output Collet Size In (mm)	Product Weight lb (kg)	Product Length in (mm)	Exhaust Direction	Housing
