Engineered Pump Solutions

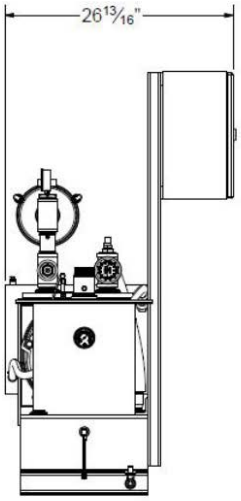

THE EXTRAORDINARY COMPACT AND VERSATILE EVO

MODULAR DESIGN

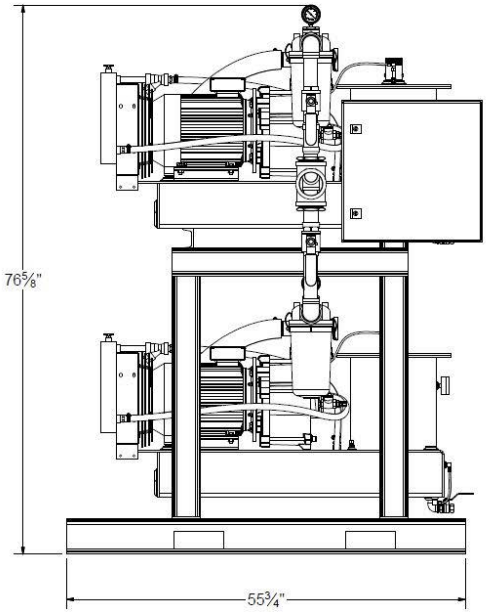

COMPACT OIL SEALED LIQUID RING VACUUM UNITS

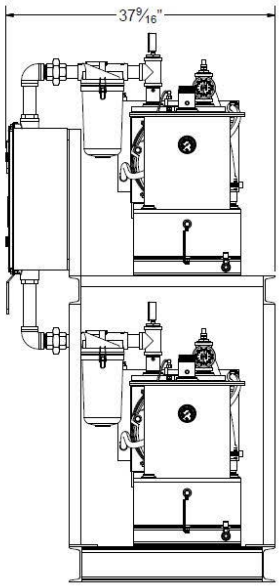

Electronic controls manage the interaction between units through PLCs and VSDs.
It is the ideal solution for a wide range of vacuum applications between 15" and 29" HgV.

Travaini Dynaseal EVO is designed to minimize space and increase efficiency. Stackable setup of multiple units can provide variable capacity with limited footprint and reduced installation costs.

MULTIPLE SIZES & COMBINATIONS

FROM 70 TO 480 ACFM

Module (Simplex)	Motor	Nominal capacity @ 20" HgV	Max Vacuum	Nominal Noise Value	Approx. Weight
EVO 5	≅ 5 HP (4 kW)	70 ACFM	29"HgV	68 dba	500 lbs
EVO 7.5	≅ 7.5 HP (5.5 kW)	105 ACFM	29"HgV	69 dba	540 lbs
EVO 10	≅ 10 HP (7.5 kW)	160 ACFM	29"HgV	72 dba	570 lbs

SIMPLEX OR MULTIPLEX

FOR VARIABLE REQUIRED CAPACITY

- Single EVO modules can work independently or combined in parallel with other EVO units to increase capacity when needed.
- The increased flexibility makes your production more economical.

FLEXIBLE SOLUTIONS

FOR MAX PRODUCTION EFFICIENCY

- Adjustable layout to address space constraints.
- Optional Receiver Tank.
- Optional Knockout Vessel.
- Multiple inlet filtering systems available.

ADVANCED CONTROLS

FOR INCREASED PROFITABILITY

- Lead-Lag feature as a standard for multiplex systems.
- Optional VSD, for energy savings.
- Available NFPA 99 setup for Health Care Facilities.

TRAVAINI PUMP SOLUTIONS PROUDLY ENGINEERED AND ASSEMBLED IN THE

USA

TRAVAINI ENGINEERING

Travaini Pumps USA offers a complete range of engineered vacuum pumps and systems in multiple configurations, including systems built to NFPA 99 specifications for medical and laboratory use.

PUMP & PART INVENTORY

Travaini Pumps USA maintains ample inventory of pumps and parts for immediate delivery. We ensure prompt response to urgent enquiries and minimize expensive down-time.

NATIONWIDE TECHNICAL SUPPORT

Travaini Pumps USA provides pump solutions to over 40 industries, involving more than 500 applications, Experienced technical support is available nationwide through our extensive network of distributors and service centers.
