Wireless Nurse Call Neck Pendant, Cloth Lanyard

LAN101
Wireless Nurse Call Neck Pendant, Cloth Lanyard

The LAN101 Wireless Nurse Call Neck Pendant, Cloth Lanyard is a lightweight wireless nurse call pendant designed for use with wireless nurse call systems. The pendant provides residents and patients with a convenient way to summon assistance from within the facility's wireless coverage area. It includes a cloth lanyard for comfortable, wearable use.

Specifications

- **SKU:** LAN101
- **Product Type:** Wireless Nurse Call Neck Pendant
- **Lanyard:** Cloth lanyard
- **Application:** Wireless nurse call emergency signaling
- **Transmission:** Wireless RF communication
- **System Type:** Wireless nurse call system

Features

- Lightweight wireless nurse call pendant
